Instructions for Living Need Accelerated Death Benefit Claim Form

Living Need Accelerated Benefit Rider enables the Owner to claim a portion of the policy's death benefit prior to the actual death of the Primary Insured, when the Primary Insured is diagnosed as having a "Terminal Illness". This is treated as an advance against the death benefit, reducing the policy's death benefit accordingly. Descriptions of major provisions and an illustration of the effect on policy values follow. Please complete Financial and Medical Records Authorization Form 426 and the Living Need Accelerated Death Benefit Claim Form. Your attending physician should complete his/her statement without expense to the Association.
